

## **Victoria Falls – The Smoke That Thunders.**

27-30 June 2017

Extend your African adventure. Join us for an exciting 4-day extension to one of the world's largest Water Fall. Victoria Falls

With a height of 108 meters, a combined width of 1700 meters and surrounded by rain forest Victoria Falls is an impressive place to spend four days completing your African Adventure. In the bantu language it is called "mosi-oo-tunya" – the smoke that thunders, and that is exactly what Victoria falls looks like, a huge puff of smoke accompanied by the thunderous sound of the water.
