

## ANTARCTICA MARATHON MILE MARKER SPONSORSHIP FORM

Oceanites is the official non-profit organization of the Antarctica Marathon & Half-Marathon. Oceanites has been researching the effect of climate change and tourism on Antarctica for more than 20 years. They have collected valuable data on wildlife and plant populations to support further research on this most pristine part of the planet. For complete information go to [www.oceanites.org](http://www.oceanites.org)

You have the unique opportunity to sponsor a mile marker for \$200. **It becomes yours after the race!** Your name or another name that you prefer will be printed on the marker as illustrated above. The markers measure 12" wide and 18" high and are made of a durable corrugated plastic. They look great framed! Your donation is tax deductible if applicable in your country and 100% of the funds goes to Oceanites. A receipt will be sent to you by Oceanites.

You can select any mile marker except #13 and #26, which will be offered on board the ship during our auction for Oceanites. These are being offered on a first-come, first-served basis. One set of markers will be offered to each ship. Act quickly. These sell out every year.

**Great idea!** YES, I want to sponsor mile marker:

1st choice # \_\_\_\_\_ 2nd choice # \_\_\_\_\_ 3rd choice # \_\_\_\_\_

**NAME:** \_\_\_\_\_

**Which ship are you on?** \_\_\_\_\_
